# ON THE OUTSIDE }

KELLI RICHARDS

SOME WOULD SAY YOU  
ARE A MAVERICK, AN  
INNOVATOR, A VISIONARY,  
A GAME CHANGER.

PEOPLE WISH THEY HAD YOUR LIFE

Inspired by your success, fascinated by your fortune, envious  
of your talent, captivated by your charisma,

LONGING FOR YOUR {PERCEIVED} FREEDOM.

It may seem like you have it all, but something is missing ...

*{Is it Time For A Shift?}*

# ON THE INSIDE

We all have the internal workings and emotional history that we carry around through life—the same challenges, patterns and {mis}perceptions ... Some things we manage to unravel, conquer, let go of. Other things we carry around with us wherever we go.

Even though we cleverly craft and devise phenomenal workaround strategies to become incredibly successful in many areas of our lives, there are still {un}realized dreams. Stories that keep us tenaciously tethered to the past ... they keep us stuck.

*{something inside of you is restless}*

YOU HAVE {NOT YET} ACCOMPLISHED ALL THAT YOU HAVE SET OUT TO DO

That persistent little  
whisper has turned into a roar

---

TO CLIMB THE NEXT MOUNTAIN,  
TO PLAY ON A NEW STAGE.

---

TO REINVENT YOURSELF.

# BUT THERE IS A PROBLEM }

YOU MAY KNOW WHAT YOU WANT AND HAVE AN IDEA OF THE PATH TO GET THERE, BUT IT'S SO EASY TO GET DISTRACTED BY “**ALL THE THINGS**”, YOU MAY LACK THE SUPPORT OR THE FOCUS TO STAY ON TRACK.

And it's not just about having clarity or a carefully laid out strategy. Even with all the people you know, you might not have that precise connection to make your vision a reality.

At times you're just out of your element and what you need is someone to guide you through unknown terrain, and sometimes the missing piece is access to the inner circle of people who can make it all come together.

*{Who Can You Trust?}*

# WHAT YOU'RE LOOKING FOR

AN INSIGHTFUL COACH AND STRATEGIST

A SEASONED INNOVATOR AND ENTREPRENEUR

A POWERFUL CONNECTOR WHO BRIDGES WORLDS.

Someone who almost seems like a magician -- showing up in our life with the miraculous power to help us access our inner wisdom, and everything else we need to inspire us and accomplish whatever we set our sights on.

Someone who has been where you are, who knows and understands where you have come from, who gets you, and can {without any doubt} carve a new path to where you want to go...

*{Even if you don't know what that is yet}*

# WOULDN'T IT BE A RELIEF

IF YOU HAD SOMEONE THAT COULD OPEN DOORS  
AND AWAKEN POSSIBILITIES IN YOU.

Someone you can trust unconditionally, that isn't phased by fame, fortune, or success. Who is bold, unwavering...and willing to look you in the eye and tell you the {unapologetic} TRUTH... Especially when no one else will.

A personal guide, uniquely experienced in navigating the landscape of both business and innovation, closely connected to powerful players from Silicon Valley to Hollywood.

---

WHAT IF IT WAS POSSIBLE TO FIND ALL  
THOSE ELEMENTS IN ONE PLACE?

AND IN ONE PERSON.

---

# WHAT IF YOU HAD A TRUSTED ADVISOR?

Your own personal triple threat. Someone fiercely insightful who can coach and guide you, who spent more than a decade as a key asset in one of the most powerful, creative, and disruptive companies of our time.

A dynamic innovator personally mentored by a legend with the mindset and the experience to streamline your creative chaos, your contributions, and the connections to help you make your own dent in the Universe?

I am excited to bring the same level of commitment, professionalism and outside-the-box thinking to you as I have to my Fortune 100 clients.
